IN-PERSON CLASSES

Booking and Cancellations

Pre-booking is recommended for all classes particularly if you have purchased a block of classes to ensure you use all of your credits before the expiry date.

CLASS PASSES

Terms & Conditions

July 2021

You can purchase blocks of classes and save money both for in-person and online classes. All class passes have an expiry window so please ensure the pass you are purchasing is suitable for your needs.

Class passes can't be cancelled, suspended or extended after purchase without the production of a valid doctor's certificate. Any refunds will be prorated based on the drop-in/single class cost for that class.

When I am on holiday and not teaching I will extend the expiry window for all passes spanning that time by the appropriate length of time.
